

# Lesson 5 - Student Worksheet

## Decoding Activity

For this required lesson, you will practice decoding a message from symbols. During the mission, Transmissions Specialists receive coded messages from planet outposts. These reports will be important in determining the location of the ship over a five day period.

## Decoding Symbols

◆ the house	← sister	☒ science
⌘ ride	☾ Washington	◎ great
▲ homework	⊘ math	★ will have
◻ snacks	✧ food	★ the weekend
☘ home	● family	⊕ the zoo
☑ will go	☾ class	○ we
◊ brother	* ** leave	▴ school
△ trip	■ ■ aunt	⚡ on Friday
❖ the car	★ after	⊗ dog
⊞ my favorite		

1. My  planned a  to  in .

---

2. We will   and  in    .

---

3. My  and  and  , too.

---

4.   in  is .

---

5.    in .

---

6.     and  on the .

---

7. My , ,  , and     .

---

## Now try your own messages
