

# M.A.R.S. Career Bingo

## STUDENT WORKSHEET

### Instructions

- 1) You may choose where you want to place any of the careers listed below. Write a career name in an empty space on the bingo card. Write the name only once.

**Aerospace Engineer**  
**Avionics Technician**  
**Geologist**  
**Mathematician**  
**Surveyor**  
**Computer Programmer**

**Astronomer**  
**Statistician**  
**Chemist**  
**Cartographer and Photogrammetrist**

- 2) As your teacher reads the description of a career aloud, place your bingo piece (bingo chip, coin, paper clip, etc.) in the correct square.
- 3) The first student to fill any line down, across, or diagonally shouts out "Bingo!" and the teacher checks the card for accuracy.

**CAREER BINGO - SPACE EDITION**

<b>Aerospace Engineering and Operations Technician</b>			<b>Airline Pilot, Copilot, and Flight Engineer</b>
	<b>Calibration and Instrumentation Technician</b>		
		<b>Mining and Geological Engineer</b>	
<b>Geological Sample Technician</b>			<b>Surveying Technician</b>
