

# Satellite Rescue Career Bingo

## STUDENT WORKSHEET

### Instructions

- 1) Choose where you want to place any of the careers listed below. Write a career name in an empty space on the bingo card. Write the name only once.
- Respiratory Therapist**

**Aerospace Engineer**

**Biomedical Engineer**

**Mathematician**

**Medical Assistant**

**Electrical Engineer**

**Chemist**

**Atmospheric and Space Scientist**

**Internist**

**Avionics Technician**

**Statistician**
- 2) As your teacher reads aloud the description of a career, place your bingo piece (bingo chip, coin, paper clip, etc.) in the correct square.
  - 3) The first student to fill any line down, across, or diagonally shouts “Bingo!” and the teacher checks the card for accuracy.
