

Target Moon Career Bingo

STUDENT WORKSHEET

Instructions

- 1) You may choose where you want to place any of the careers listed below. Write a career name in an empty space on the bingo card. Write the name only once.

Aerospace Engineer
Astronomer
Surveying Technician
Mathematician
Geologist
Statistician

Emergency Management Specialist
Surveyor
Physicist
Chemist

- 2) As your teacher reads the description of a career aloud, place your bingo piece (bingo chip, coin, paper clip, etc.) in the correct square.
- 3) The first student to fill any line down, across, or diagonally shouts out “Bingo!” and the teacher checks the card for accuracy.
